FROM THE SOUTH on A82 (FORT WILLIAM)

We have ample parking outside the house on the street in a resident's only bay. On arrival we will give you a parking permit so your parking is free for the duration of your stay.

If you are driving from Glasgow or Edinburgh it is quickest to head towards Perth then 120 miles north up the A9.

You will approach Inverness on the A82 by crossing the Caledonian Canal and driving along Glenurqhart Road. You will pass the Highland Council offices on your right hand side.

On approaching the first set of traffic lights stay in the right hand lane. Crossing these lights and approaching a second set of lights you will see a Tesco supermarket on your left.

Staying in the right hand lane cross the river and head straight on at the lights at the end of the bridge. This will take you past the bottom of the High Street round a corner and up the hill along Castle Street. The castle is on your right hand side.

Get in the right hand lane near the traffic lights and turn right at the lights near a pub called the Castle Tavern.

This will take you down the hill towards the river and past a church and the back of our guest house.

Drive along here for (Haugh Road) for 500m and the turn right at the gardens into Ness Bank and head down the river with it on your left hand side. After passing various hotels we are next to the Glen Mhor hotel with a big blue sign in the garden.
