Guest House

b&b accommodation

FROM THE EAST on A96 (Aberdeen, Elgin and Nairn)

We have ample parking outside the house on the street in a resident's only bay. On arrival we will give you a parking permit so your parking is free for the duration of your stay.

After driving through Nairn on the A96 you pass signs for Inverness Airport on the right and then you will get to the outskirts of Inverness on the A96.

You will see a large retail park on your left. Drive straight across the large roundabout here and get in the right lane. At the following roundabout turn right and take the last exit onto the A9 north.

You will approach a large roundabout with a big bridge going over the Moray Firth ahead of you.

Turn left here and follow signs for A82 Fort William and drive into Inverness on the dual carriageway called Longman Road.

Drive straight on at the next two roundabouts and when you approach a third roundabout (called Shore Street roundabout) get in the left hand lane.

Turn sharp left at the Shore Street roundabout and then get in the right hand lane once you pass a furniture store called Olgilvies. If you cross the river from this roundabout you have gone wrong. Head back over the river via roundabout on the other side.

At the first set of traffic lights turn right and drive down towards the river and round the corner. This is Bank Street, drive straight on at two more sets of lights passing the Mustard Seed Restaurant and keeping in the left hand lane coming up to the bridge.

You will see the castle above you on the left and a church straight ahead. At the church, turn right on to Ness Bank and we are the third house along with a big blue sign.
